

Math Plus Tutors Summer Day Camp 2024

This summer immerse your child in the worlds of Science, Math, and Art!

We've got a group of amazing role model scientists, mathematicians, and artists to follow in their footsteps. This summer get to know Albert Einstein, Marie Curie, Vincent Van Gogh, Pythagoras and many more icons in these amazing fields while building your projects,

experimenting, and having fun with friends.

Themes & Dates

July 8-12; Algorithmi Math Camp

This Math camp will focus on learning about Algorithmi and his contributions to the modern mathematics. Campers will work on building their math skills in Number Sense & Numeration, Patterning and Algebra, and probability.

July 22-26; Van Gogh Art Camp

This art camp will focus on learning Van Gogh's art style, the use of vibrant colours and brush strokes and his famous master pieces. Campers will work towards producing their own art projects inspired by their leanings.

July 15-19; Einstein Science Camp

This Science camp will focus on learning about Albert Einstein, and his contributions to the modern physics. Campers will work learning physics principles including modern physics and relativity.

August 5-9; Pythagoras Math Camp

This Math camp will focus on learning about Pythagoras, and his contributions to the modern mathematics and philosophy. Campers will work on building their math skills in Geometry, Measurements and Data Management.

Aug 12-16; Marie Curie Science Camp

This Science camp will focus on learning about Marie Curie, and her contributions to the modern chemistry and physics. Campers will learn about the elements, minerals, and the periodic table. They will experiment with basic chemistry principles, and get a taste of inorganic chemistry.

August 19-23; O'Keefe Art Camp

This art camp will focus on learning about Georgia O'Keefe's abstract imagery, flower paintings, and the unique landscape configurations and desert objects. Campers will work towards producing their own art projects inspired by their leanings.

Program advantages

- ✓ Led by teachers. Run by professionally trained staff with high staff/children ratio
- ✓ CPR and First Aid trained staff on location at all times for your child's safety
- ✓ Air conditioned space for hot summer days
- ✓ Easy access to public parks, library, and Farmers' Market for outdoor activities
- ✓ For Science and Art Camps; two cohorts will be running (5-8yrs) & (9-13yrs)
- ✓ For math; Camp α (grades 1-3), Camp Ω (grades 4-6), Camp Ψ (grades 7-9)
- ✓ Easy access for parents with plenty of parking spots for drop off and pick-up

Drop-off and Pick-up Times

Drop off time 8:45 am to 9:00 am

Pick up time 3:00 pm to 3:30 pm

Program Fees

Full Day Fees: \$225 per week

Half Day Fees: \$140 per week

Sign up today, limited Spots available!

Wondering what a daily schedule looks like? Here's a typical day plan:

8:45 - 9:00 Drop off

9:00 – 10:30 group activity

10:30 – 11:00 snack time

11:00 – 12:00 group activity

12:00 – 12:30 Lunch time (lunch not provided)

12:30 – 2:00 Outdoor activity

2:00 – 3:00 Finish projects & wrap up

3:00 – 3:30 Pick up
